INTERNATIONAL POSTDOC CERTIFICATE

This is to certify that Doctor Kim Hammar has been awarded an International Postdoc grant from the Swedish Research Council.

The awarded grant is a standard amount of SEK 1 300 000 per year, of which maximum SEK 150 000 are intended for other costs than salaries incurred with the postdoc.

The beneficiary may utilise the funds during the granted project period from 2025-01-01 to 2027-12-31 plus an additional disposition period of one year, until 2028-12-31. At least two-thirds of the granted project period must be spent abroad but may be divided into several shorter periods.

The total awarded amount is SEK 3 900 000.

The grant will be administrated by Kungliga Tekniska högskolan in Sweden and used for postdoctoral research at University of Melbourne in Australia and at Imperial College London in Great Britain.
